

May Put Measure On Minor Repairs Before Meeting

Indications are that the Arlington Town Meeting in March will be called upon to pass on a measure which was adopted by the last legislature, making it legal for cities and towns to name temporary repairs on private ways in the community.

The measure was introduced by Representative Henry E. Keenan and was adopted in June. In order to bring it into use in Arlington, it will be necessary for the town meeting to act favorably on it.

It is felt by residents of certain areas in town that the measure will be of benefit to them.

The measure reads as follows: Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows: Chapter 40 of the General Laws after section 6D, inserted by chapter 225 of the acts of 1943, the following section: Section 6E A city which accepts this section by vote of its city council subject to the provisions of its charter, or a town which accepts the same by vote of its inhabitants at an annual town meeting, may make temporary minor repairs on private ways which have been opened to public use for six years or more and in such cases section twenty-five of chapter eighty-four shall not apply. The of such repairs shall be paid by the abutters. Such repairs shall be made only if petitioned for by the abutters. No such repairs until a cash deposit equal in amount to the estimated cost of such repairs as determined by the town department or contractor duly authorized by said city or town department to do the work, is paid over to said city or town. Said temporary minor repairs shall only include the filling in of holes or depressions with sand, gravel, cinders or waste materials and shall not include the resurfacing or permanent construction of said ways with concrete or bituminous materials.

Oak Hill Repairs To Cost \$66,442

Drastic improvements on Oak Hill drive from Summer st. to Ridge st. will cost \$66,442.23, it was learned at the last Monday's meeting of the Joint Board of Selectmen and Public Works, in which it was decided to set a date for a hearing on the matter. There was no action taken at Tuesday night's hearing on four other streets.

Figuring largely in the reconstruction cost for Oak Hill drive is the removal of a ledge, the cost of which is estimated by the Town Engineer to be almost \$20,000.

The feeling was expressed in various quarters that, since the task would have to be done sooner or later, it would be better to go ahead on it before more extensive and more costly improvements become necessary.

The Joint Board hearings Tuesday night were well attended by abutters of the four streets involved.—Berkely st.; Harold st.; Cutter Hill rd., from Ridgefield rd. to Ridge st.; and Chester st., extending about 250 feet from Eastern ave.

The majority of abutters were in favor of the reconstruction, but no final action was taken at that time.

Mr. and Mrs. Dennis Corcoran of 211 Mystic Street, Arlington, announce the birth of a daughter, on December 1, at the Mount Auburn Hospital. Mrs. Corcoran is the former Florence LaRose. Grandparent honors are shared by Mr. and Mrs. David LaRose of Cambridge.

Five Hurt In Series Of Local Accidents

Five people were injured in four accidents here over the past week-end.

Saturday night a sedan operated by Robert O'Connell Murdock st., Somerville proceeding east on Massachusetts ave., struck and broke off a telephone pole in front of 1437 Mass. ave. O'Connell was taken to the Symmes Arlington hospital where he was treated for nose injuries. His car was badly damaged.

Three of the accidents were attributed to the heavy rain which fell Sunday night.

Oliver A. LeBlanc, 21 Russell st., Arlington was driving east on Warren st., when his car was struck on the left side by another sedan operated by John G. Mandis, 125 Park ave., who was coming out of River st. Both cars were badly damaged but no personal injuries were reported.

Walter Weiner, 132 Sylvia st., Arlington was treated at Symmes Hospital for stomach and chest injuries when his car struck the rear of a parked car near 1426 Mass. both cars were reported to be badly damaged.

Arnold E. Stocker of Lexington was treated at Symes hospital for head and leg injuries after he fell from the cab of his pick-up truck in front of St. Jerome Rectory on Lake st., He was arrested by Arlington police for court.

Edward Heed and Thomas Carington, attached to the 44th trucking company at Fort Devens were treated for lacerations and abrasions of the face and leg after they struck the safety island at Lake st., and Massachusetts Ave.

Police said they were proceeding east on Mass. ave., when their cars skidded and crashed into the island.

DECEMBER IS DANGER MONTH ON STREETS AND HIGHWAYS

During the month of December 1949, seventy-two men, women, and children were killed in accidents on the highways of the Commonwealth of Massachusetts. Seventy-two fatalities - forty-six of the victims pedestrians - was the grim record.

In December, the most dangerous traffic month of the year, 4,515 victims were seriously injured in highway and traffic accidents, and 5% of these were crippled or disfigured for life.

Eighteen persons were killed each week of the month; six persons suffered serious bodily injury every hour in the month - truly, a terrible price to pay for moments of carelessness, recklessness and discourtesy on the Commonwealth's highways.

These gruesome details of statistical reports come from Registrar of Motor Vehicles, Rudolph F. King, who is the spearhead of a Special Emphasis Campaign of Massachusetts accident prevention agencies, now engaged in a determined effort to prevent a repetition of last year's shameful December experience.

The Registrar pointed out that from now until Christmas, thousands of pedestrian shoppers will be on the streets of trading centers in every section of the state. They will be hurrying to make usual and last-minute purchases and their minds will be on the problems of the moment. Safety precautions will be temporarily forgotten in the excitement of holiday plans and activities.

Many stores will keep open evenings for customer accommodation. This means that hundreds of persons will travel during night hours to favorite shopping locations and motorists must be especially careful.

Civilian Defense Emergency Power Units Requested

The civilian defense program rolled ahead this week, with Chief of Police Archie Bullock and Fire Chief Richard Tierney both requesting emergency power units to man their stations.

Both departments are asking for units, capable of supplying power to run the lights, and two-way radio system, through their regular budget. This is being done in accordance with a pre-conceived plan that any equipment which could be used in times of peace or war should be supplied under the requesting annual budget.

The police and fire chiefs feel that the units would be a definite necessity in the event of any type of power failure whether it be caused by a bomb disaster or hurricane.

The recent power failure caused by a short circuit in the Edison station was cited as an example of when this emergency power might be needed. The 1933 hurricane was

also cited as an example of how crippling a power failure can be to these emergency departments.

Lieutenant Albert Ryan has been placed in command of the auxiliary police and warden force while Deputy Chief Bert McGreevey has assumed command of the auxiliary firemen, according to an announcement from these departments this week.

Chief Bullock reported he has 222 in the Auxiliary police unit and he plans to add fifty more. The chief could give no estimate of the number of wardens that would be needed.

The warden-police set up will differ from that of World War II in many respects.

The Town will be divided into 8 districts instead of the previous five. Each district will be equipped with a two way radio system and deaster units.

There will be a police lieutenant in charge of wardens and aux. in each district with a man and woman as head of wardens.

A chief warden and a deputy chief will be appointed to head the whole program under Lt. Ryan.

An emergency radio, hooked up with the State Police network will be installed at police headquarters to flash air raid signals and emergency calls.

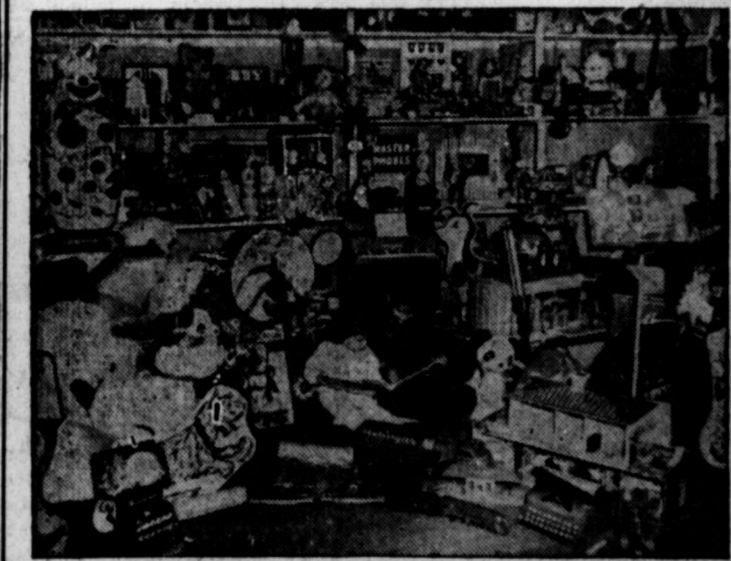

The state office of civilian defense issued the following notice this week:

In the event of a "major catastrophe" all doctors and nurses in the state not previously assigned "should report immediately to the hospital nearest their home for assignment."

signment," Dr. Vlado A. Getting, State Public Health Commissioner and head of the Medical and Health Division of the State Civil Defense Agency announced today.

Commissioner Getting made it clear that his instructions to the unassigned physicians and nurses are to be followed only "while plans for the state-wide registration of physicians and nurses for the Civil Defense Agency and plans for its Medical and Health Division are in the formative stages." After the registration has been completed and the set-up of the division has been perfected, definite procedure for the unassigned physicians and nurses upon the occurrence of a major catastrophe will be worked out and announced, the commissioner added.

He pointed out that the instructions did not apply to physicians employed at or on the staff of hospitals, nor to those already assigned duties in the civil defense program.

Defining "major catastrophe," Commissioner Getting called attention to the language used in the State Civil Defense Act which reads: "Disasters caused by attack by fire, flood, earthquake or other natural causes."

ially alert for foot travelers whose exposure to highway hazards will be greater and their safety precautions less in evidence. The added responsibility of protecting the pedestrian will fall directly upon the motor vehicle driver and the enforcement officer and if pedestrians are to be saved from injury or possibly death, there must be 100% co-operation.

Children will accompany parents on visits to Toylands and Santa Claus. Every parent - or guardian must keep youngsters under complete control and surveillance; little ones must never be allowed to cross streets unattended; they must always be guided to safe crossing zones to insure freedom from injury or death by traffic mishap.

Gasoline and intoxicating liquors do not mix - whether it is at Christmas time or any other season of the year. There is no room on Massachusetts highways for the drunken driver who has, in the past, figured prominently in accidents which have resulted in personal injuries and highway deaths. Inspector of the Registry of Motor Vehicles, with other enforcement officers, will co-operate in an all-out effort to prevent accidents and deaths during this holiday period.

Christmas is a time of gaiety, happiness and joyous celebration, not to be marred by tragedy, horror and bereavement because of carelessness, inattention, or lack of consideration for the rights and safety of others.

"Last year, at Christmas time, there were approximately 4,000 vacant chairs in Massachusetts homes because of accidents," concluded Registrar King. "Let's make sure that Christmas, this year, will find no empty places at the festive board because of our carelessness. Complete co-operation in this December Emphasis Campaign can reduce accidents - it is the only way to prevent death and injury over the holiday season."

Hoop Season Gets Underway

Tuesday is the opening day of the Arlington high school basketball season. This season has been forecasted to be only a fair one by Coach George Lowder, who in his two previous years has produced a ten win five loss and a seven win seven loss record.

Basketball is one of the most under-publicized and under attended sports events in the town. They have been lucky to draw fifty spectators in the past years.

The team plays its games on Tuesday and Friday afternoons which could excuse any adults from attending the games but there is no excuse for the high school students not to support their team.

In Somerville and Cambridge, the hoopsters rate on a par with

the hockey team in as far as attendance is concerned.

The PRESS strongly advocates that high scholars back their basketball squad and maybe we'll end up in the Garden this year.

O'Brien, Tartarini Receive PRESS Honors

Donald O'Brien and Captain Al Tartarini were presented the first annual Arlington PRESS award before some 300 people at the seventh annual Knights of Columbus banquet in the Robbins Memorial Town Hall, last night.

The trophy, inscribed with the players name was given by Frank Mahoney, sports editor of the PRESS. It will be kept in the trophy room of the high school. The two boys, chosen best back and best lineman of the 1950 grid season, were each presented with a small sterling silver football engraved with their name and year.

A committee of four men, Charles Downs, sub-master at Arlington high, William Lodwer, faculty manager of the school; John Buckley, local merchant, and Frank Mahoney chose the winners. Three out of four ballots cast.

O'Brien received a unanimous vote while Tartarini was chosen in "Chuckin" Charlie O'Rourke, Mel Massucco, captain elect of the 1951 Holy Cross squad; Benny Friedman of Brandeis University and Leroy Kelley were the guest speakers for the occasion.

The hall was packed to overflowing capacity with the team and honored guests sitting at the head table on the stage.

With the team were; Coach Henry Toczylowski, Coach Jim Cava-

lerri, Coach Ed Burns, Coach Ike Bevins, Raymond Merrill, head master of Arlington high, Charles Downs, sub master, John Morine, chairman of the school committee, Leroy Kelley, Charlie O'Rourke, Benny Friedman, Joseph Greeley, Grand Knight of the K of C, Alaa Igo, Toastmaster, Mel Massucco, Frank Hurd, Chairman of the evening, Father John Sullivan of St. Camillus, Doctor J. Campebasso, team physician and Frank Mahoney.

The Arlington PRESS wishes to thank the Arlington lodge, K of C for the opportunity of presenting our first annual award at their annual affair.

Hockey Team Starts Sat.

The Arlington high school ice-men open their 1950-51 season Saturday afternoon meeting Belmont high at the Boston Garden.

The Raiders are out for a victory even though all of the pre-season odds are against them. The eyes of all the fans will be on Don O'Brien, captain of the team to see if he can rally his squad to a successful season opening.

Melrose ranks as the number one opponent of the Red and Grey with Cambridge Latin, Rindge and Stoneham runners-up.

Coach Burns is looking with a pessimistic eye at this season but he did that last year and Arlington ran second. In Burn's first year at the High, he produced a championship club.

Walter Brown, manager of the Garden Arena, expects about 5000 fans to be on hand for the opening of the G. B. I. league.

Massucco New Grid Captain At Holy Cross

Melvin "Muz" Massucco 1943-44 Arlington high school all-scholastic, was named captain of the 1951 Holy Cross grid squad shortly after noon, Tuesday.

His election was not a surprise since he, Johnny Turco of Walpole and Tom McCann of Fall River were rated the top three eligibles.

The honor bestowed on him is another top athletic award for the Arlington star who has always been a head-line performer in the sports field.

"Muz" was not the fastest man on the Holy Cross squad, but he was the most dependable because of his polish. Smart and skillful, class as a natural in sports, he knew how to make the most of his qualities.

He is a navy veteran, but before going into service he was rated as the most brilliant sportsman in Arlington high. He was all-scholastic in football and baseball, getting the honor in football both in his junior and senior year.

For his other sport qualities check with Doc McCarthy who will tell you he was a whale of a trackman and if he hadn't chosen track he would have been great at hockey.

Muz did not have speed at the Cross. Thus, others stole the headlines during the past season. Charley Maloy was a star with his forward-passing. Turco's blazing speed and four touchdowns made him the standout in the victory over Boston College. But Massucco was the steady runner who knew when to cut and how to drive. Even in 1949, when Holy Cross had a poor season, his work was outstanding.

Lee Re-enters Armed Forces

Charles "Chic" Ling, ace gridster of the former Red Devils and the recent Chippewa squads, and an outstanding name in the Arlington sand-lot sporting field, left Tuesday afternoon for a tour of duty with the United States Army Air Forces.

"Chickie" was known throughout the town, having starred on the 1946 Arlington High football squad and tried out for the Red Sox in 1945, Braves 1945, Dodgers 1949 and with the Los Angeles Angels this year.

He served in the U. S. Navy in World War II aboard the USS. Providence in the European Theatre of Operations. While with the fleet he joined the boxing team, winning twelve bouts and losing his thirteenth to Oscar Reyes ETO champ in 1948.

According to Chic his most memorable moments were an audience with Pope Pius XIII in 1948 and a meeting with the King of Greece in 1947.

All of his many friends wish him the best of luck in his new endeavor with the Air Force.

He has been sent to aerial gunnery school at Lockland field in San Antonio, Texas.

Boy's Club Holds Indoor Series

Last Saturday afternoon the American League, Red Sox won the Arlington Boy's Club 1950 edition of its INDOOR BASEBALL world series. In winning the championship the Red Sox beat the National League Braves by the score of 19 to 17. Although high scores are common in Gym Baseball the game was a close fought affair for 9 full innings. Boys on the winning team will have their pictures taken next week. Both teams will be awarded prizes at the annual Father & Son Dinner in February.

A plaque with the 1950 Baseball champs will soon be on display.

Boyd Addresses
Kiwanians HereMr. Hugh Boyd, speaking for
the National Educational Program
of Harding College, delivered a
stirring and informative address
on the American Way of Life to the
Arlington Kiwanis Club at its
meeting on Thursday, December 7.The purpose of this program,
the speaker said, is to interest and
educate the people of our Country
in the American way and to alert
them to the threatening encroachments
of Socialism and Communism. This
is to be done through Industrial
Plant, Community and National
Programs that will promote a
greater appreciation of the American
Way, and arouse an enthusiasm
to fight for its preservation.Basically, said the speaker, the
American Way rests upon Freedom—
Freedom of Worship; of Speech; of
a free Press, and of the other
freedoms detailed in the Bill of
Rights. The early settlers of our
Country left native lands where
these freedoms were denied them,
to obtain them here. They endured
the hardships of the wilderness
and of war to gain these freedoms,
that are now threatened. What they
fought to obtain, he said, we must
fight to retain.It is amazing, said Mr. Boyd,
how few people really understand
our American Way of Life. They are
sadly misinformed about our political
and economic systems. They just
don't stop to think that the only
alternative to private ownership
of the tools of production is
dictatorship for freedom.Social Service
Board MeetingThe Board of the Arlington
Social Service League met at the
home of Mrs. Russell T. Hamlet
of 15 Victoria rd., president of
the organization, on Wednesday
evening, December 6.When the business of the evening
was completed, Mrs. Hamlet
served coffee and Christmas
cookies and a pleasant social
hour followed. Present were Mrs.
Ellen Morrissey, Mrs. Miller
Kaufman, Mrs. David Kennedy,
Mrs. Eleanor J. Strong, Mrs.
Hamlet, Rev. W. N. Bixby, Ernest
R. Moore, Richard T. Simpson
and Mrs. Flora Hunt, supervisor
of case work for Arlington and
Somerville.

Golden Wedding

Mr. and Mrs. Albert D. Woodworth,
26 Norfolk rd., Arlington,
residents of that town for half a
century, last week celebrated
their golden wedding anniversary
at a dinner at the home ofThe National Educational Program,
he said, has been devised to
educate our people to the value
of their heritage, and to stir
them to fight for its retention.The speaker was introduced by
Fire Chief Richard Tierney, who
obtained his services for the
Kiwanis Club.A new member was inducted

Make Christmas Safe

One year ago a Christmas tree caught fire in Hyndman, Pa., and as a result the whole town was virtually destroyed.

The Boston Board of Fire Underwriters warns that the same thing can happen in almost any community and urges that special precautions be taken to avoid Christmas fires. Make your Christmas a safe Christmas.

A few simple suggestions are offered to help make your Christmas safe.

Keep your Christmas tree outdoors as long as possible before setting it up in the house. Remember that a Christmas tree is very combustible and becomes more so as it dries out. It is filled with pitch and resin. The small needles cause a flame to spread with flash speed. A Christmas tree can burn in two minutes and this sudden flame will ignite curtains and other material in a room with great speed.

Flames spreading a Christmas tree is generally satisfactory. In the first place, flame proofing is not for amateurs. Actual tests by the Underwriters' Laboratories indicate that some trees are made more dangerous after being supposedly flame proofed.

Results show that it is far more effective to keep the tree moist. Therefore it is imperative to have the tree standing in water while in the house. A new V cut should be made at the base of the tree to aid in the absorbing water. A tree can absorb considerable water. This means that water in the container at the base should be replaced frequently.

The tree should be placed in the coolest corner and away from radiators, heaters and fire places.

Remove the tree as soon after Christmas as possible. Always remove the tree when the needles begin to fall.

Great care should be exercised with respect to all decorations and especially tree decorations. Wiring in light sets kept from year to year are likely to be defective. These should be checked carefully.

Avoid the use of too many lights. Many homes today are wired with no expectation of many electrical demands now made upon this wiring. Overloading can cause one of the most treacherous forms of fire.

Such fires may originate in the walls and mushroom through the house at night.

Avoid use of multiple plugs as much as possible. Do not substitute higher fuses for the safe 15 ampers. Never insert a penny to replace a fuse. You may be selling your life awfully cheap.

Christmas tree lights should not be left burning when unattended. Do not turn off at night by loosening a bulb. Disconnect the lights at the wall plug.

Be careful of windows lights, especially when placed near flammable curtains.

Remove flimsy Christmas wrappings from the room as soon as possible. Do not set up electrical trains or other electrical toys near the Christmas trees.

Christmas is a time for increased social activity and when more friends than usual drop in. Extra precautions should be taken to avoid smoking hazards.

Christmas is also the season when extra demands are made upon heating units. These should be checked carefully.

Following these few precautions should make your Christmas a Merry Christmas — not a Black Christmas.

For Duration To Get Care

CARE, the non-profit relief agency, will continue to distribute its food and clothing packages in Korea as long as the United Nations forces stay in that country, Edward W. Joyce, Jr., New England Director stated today.

Since CARE resumed operations in Korea, on November 14, the organization has distributed in co-operation with the Public Health and Welfare Division, U. S. Army, 7,000 CARE food and textile packages, Joyce said.

At the present time, he continued, CARE has 3,000 additional food and textile packages awaiting and 27,500 packages awaiting shipment from the main CARE warehouse in Philadelphia. The total cost of all packages delivered in or destined for Korea, up to the present time, is approximately

Rededicate Murphy General Hospital

Re-dedication exercises for allowing visits to wards and other parts of the 44-building hospital which was closed last June and which was re-opened in November to prepare for giving medical service to combat casualties.

Dignitaries Are Invited

Among prominent persons who have received invitations are: Lieut. Gen. Willis Dale Crittenden, Commanding General of the First Army; Brig. General of Ft. Devens, Mass.; Major General E. Shambora, Chief Surgeon of First Army.

Also invited were Mr. and Mrs. Fred B. Murphy of Quincy, Mass., parents of the late PFC Frederick C. Murphy, Congressional Medal of Honor Winner for whom the hospital is named. The dead hero's wife, now Mrs. George T. Bresnahan of Scituate, Mass., is also expected to attend with her daughter, Susan, 5.

Invitations were also mailed to scores of leading citizens representing veteran's organizations, hospitals and sanatoriums in the Waltham area, medical schools in the Hub section, community service clubs, business organizations and church groups in Waltham and Belmont, and Murphy medical consultants.

"Now that our primary job of getting ready for combat casualties and other types of patients has been accomplished," said Col. Stapleton, "we are prepared to hold these re-dedication exercises. We hope for a large turnout at the official 'opening.'"

He pointed out that Murphy Army Hospital, the largest general-type Army installation of its kind in New England, is now equipped with personnel and medical facilities to give all types of medical service.

The program, to be held from 2 PM to 3 PM in the hospital theatre, has been arranged with the coordination of the local Chamber of Commerce, with great assistance given by its secretary, Earl J. Arnold. Community leaders in New England, New York and Washington, DC., will attend.

In keeping with the solemnity of the ceremonies, "The First 40 Days," the film portraying actual combat scenes in Korea will be shown. Ambulatory patients at the hospital will also see the movie that day, giving them an opportunity to see, in many cases, their own buddies in action on the battlefield.

An open house program will also highlight the day's activities.

Financial contributions are urgently needed by CARE to help it aid as many war-stricken Koreans as possible.

Contributions may be sent to CARE, 175 Tremont St., Boston..

Elected Vice-President Of Dewey-Almy

Election of Dr. Edwin R. Gilliland, professor of chemical engineering at Massachusetts Institute of Technology, and Henry L. Gilbert, Jr., vice president of Dewey and Almy Chemical Co., to the Dewey and Almy board of directors was announced today.

Dr. Gilliland, who is also associate director of the nuclear science and engineering laboratories at M. I. T., has just received the Celanese Award from the American Institute of Chemical Engineering and served as assistant rubber director in charge of research and development in World War II.

In 1944 he was given the Baeke Award by the American Chemical Society. He was graduated from the University of Illinois in 1930 and received his doctorate from M. I. T. in 1933.

Mr. Gilbert was made vice president in charge of Dewey and Almy's overseas sales in 1949 and prior to that was secretary and clerk of the company. He joined Dewey and Almy after graduation from Harvard in 1924.

Five To Take Part In B.U. Xmas Concert

More than 200 members of the Boston University college of music chorus and orchestra will present J. S. Bach's "Christmas Oratorio" in the college of music annual Christmas concert, 8:15 p. m., Wednesday, December 13, in John Hancock Hall, Boston.

The chorus will be under the direction of Dr. James R. Houghton, chairman of the University's church music department, and the orchestra is under the direction of Prof. Francis Findlay, conductor of the Boston University orchestra.

Soloists in the Oratorio are: Charlotte Zimmer, contralto, Kirkville, N. Y.; Richard McLoon, Tenor, 30 Jenness street, Lowell, Mass.; Dean Bouzianis, Bass-Baritone, 37 11th Ave., Haverhill, Mass.; and Nancy Marsh, Soprano, 225 Bay State Rd., Boston.

Arlington members of the chorus are: Walter Cavalieri, 8 Bradley Road; Lewis Crocker, 7 Crosby street; Jean Crosby, 10 Fairview Avenue; Ann Hall, 152 Pleasant street; John H. Ring, 74 Appleton street; Walter M. Ennis, 91 Grove street; Winchester.

Mr. and Mrs. Joseph L. Dwyer, Jr., (Catherine G. Cotter) of 1051 Massachusetts Avenue, Arlington, a daughter on December 4, 1950.

Messiah Presented At Town Hall Next Monday Evening

Next Monday evening Dec. 18, at 7:30 P.M., the doors of the Town Hall will be opened to all lovers of Handel's thrilling Christmas oratorio, The Messiah, as presented by the Arlington Philharmonic Society. The performance will begin at 8 P.M. Admission is without charge and practically all seats are unreserved, so the early comer will be assured of finding the location he prefers.

This will be the 18th annual presentation of The Messiah in Arlington. Also it will mark the 15th year that Leonard Wood has conducted this work. At the first performance on Dec. 24, 1933, Mr. Wood and five other members of the Community Symphony Orchestra assisted Mr. Arthur B. Keene of Lynn. This performance was under the joint sponsorship of the First Parish Unitarian Church, the Orthodox Congregational Church, and the First Universalist Church. Mrs. Alma W. Allen had prevailed upon the Reverend John Nicoll Mark to initiate this splendid work of celebrating the Christmas season.

From repeated performances over the years, the result is an interpretation on the part of chorus, orchestra and conductor which notes a depth of understanding and precision in execution which is unusual in amateur productions.

The first performance of Handel's Messiah was in Dublin, April 13, 1742, for the benefit of the Society of Relieving Prisoners, the Charitable Infirmary and Mercers Hospital. Since that time, its annual presentation has become part of the warp and woof of the Christmas fabric in many communities throughout the world. Here in Boston the Handel & Hayden Society's production is more a part of the Back Bay than any other music event of the year. Its first Boston performance was in 1818.

Perhaps one of the reasons for the musical appeal is the dynamic quality of the work, embracing dramatic opera technique akin to Handel's personality rather than the cold aloofness usually associated with devotional music.

At the London performance of The Messiah in Covent Garden in 1713, King George II was so moved by the thundering strains of the Hallelujah Chorus that he rose to his feet, the rest of the audience following his example—just as audiences everywhere have continued to do.

Ralph McGann, the bass soloist will be no stranger to Arlington audiences after his fine performance in "Walpurgis Night." He is also the soloist at the First Baptist Church here. Gene Cox, Rosalind Elias and Willabell Underwood, the remaining soloists are all members of Boris Goldovsky's New England Opera Theatre group and this season will sing the several roles together in

Voters League Held Session

On Tuesday evening last the Arlington League of Women Voters held a "Know Your Legislators" meeting at the home of Mrs. Donald R. MacJannet.

Senator Robert Campbell of the 6th Senatorial District; Representative Joseph McEvoy of the 25th District and Representative Henry E. Keenan of the 28th District attended. Representatives Got and Doncaster were unable to be present.

Mrs. Richard Bolt, president of the league, opened the meeting with a few words on the platform taken by the League of Women Voters nationally, and the basis for league action on a national level. Mr. Gordon Thompson presented the state platform and the basis for league action on a state level.

Mrs. John Curtis reviewed the study of the government of the state of Massachusetts now being undertaken by the League of Women Voters of Massachusetts. Mrs. Roy Freed spoke on the state's financial situation and the possibility of the use of a sales tax and a graduated income tax.

Mr. Campbell, Mr. Keenan, and Mr. McEvoy presented their views on a sales tax and a graduate income tax. It was stressed both by the legislators and Mrs. Freed that there was a need to watch for the findings of the special committees studying taxation and government structure and administration.

After the meeting, refreshments were served. Mrs. Gordon Thompson, legislative chairman of the league, was in charge of arrangements for the meeting.

BUILDING FUND MEETING MON.

Precinct coordinators for the Symmes Hospital Building Fund campaign will meet next Monday night, Dec. 18th, in the newly acquired campaign headquarters at 452 Massachusetts Ave. The campaign will run from Jan. 15th to Feb. 5th.
